Our Saints and death: Reading about our Saints one would find that they died in peace... and sometimes graces started to flow immediately after their death like beautiful fragrance in the space or healing of a sick person nearby...

After death

When a good man meditates on life after death he quickly realizes that God does exist and has a Plan of life for man; our world is not by chance. And when we see that good deeds bring happiness in Heaven and bad deeds bring misery, we come to know the Heart of God and His Law; God loves goodness and hates wickedness. Yes, the One standing behind this big universe is Holy and truth is above with Him.

"Who do men say that I, the Son of Man, am?" (Mathew 16)

"13Now when Jesus came into the parts of Caesarea Philippi, he asked his disciples, saying, "Who do men say that I, the Son of Man, am?"
14They said, "Some say John the Baptizer, some, Elijah, and others, Jeremiah, or one of the prophets."
15He said to them, "But who do you say that I am?"
16Simon Peter answered, "You are the Christ, the Son of the living God."
17Jesus answered him, "Blessed are you, Simon Bar Jonah, for flesh and blood has not revealed this to you, but my Father who is in heaven.
18 I also tell you that you are Peter, and on this rock I will build my Church, and the gates of Hades will not prevail against it."

Dear brother and sister,
God is Spirit and Christ the Son of God is Spirit from the Spirit of God; He Came out from God and did not separate from God; "I am in the Father and the Father is in Me, I and the Father are One", said Lord Jesus.

Christ descended from Heaven and was born in a poor manger and then fled to Egypt in a long trip with His mother Mary and Joseph while still a baby… afterwards He lived like any other man, thirsting and hungering… and the Holy Master didn't put His Authority at His service but at the service of the kingdom of God…

Dear brother and sister,

Below you will find twelve chapters about

the WORK OF GOD in His Church where

God is Calling you again and again to Heaven.

Chapter 1 - WARNINGS BY NATURE

Bible/ HOSEA 4: "1Hear the word of Yahweh, you children of Israel; For Yahweh has a charge against the inhabitants of the land: "Indeed there is no truth, nor goodness, nor knowledge of God in the land. 2There is cursing, lying, murder, stealing, and committing adultery; they break boundaries, and bloodshed causes bloodshed. 3Therefore the land will mourn, and everyone who dwells therein will waste away. All living things in her, even the animals of the field and the birds of the sky; Yes, the fish of the sea also die."

//youtu.be/UGJUSduphQI

The Bible talks about a covenant between us and God; it literally describes a relationship of true love between man and God and describes sin as a true betrayal and infidelity to God! This was declared in the Old Testament by the Prophets.

I believe in the covenant which is between us and God; I believe that in righteousness and goodness there will be the contentment of God, and in His contentment we will find benevolence, blessings, and gladness on the earth, however, I also believe that our poverty in love and mercy i.e. our sins, offend God and make our life difficult.

When the earth loses purpose and good men are no more around, it will cause sadness to God and offend His caring love like any father who would see his children in disobedience and sin.

Chapter 2 - BLESSED STATUES

We have seen blessed statues weeping, praying or moving at many Christian sites around the world; it is a sign for us, a message to consider, a call to repentance… there is something which concerns our soul and destiny.

These are true photos reported in news in 2017 from inside the Orthodox Church in the Holy Land; the Church said that Statue opened his eyes day long.

Chapter 3 - SIGNS IN THE SUN

"There will be signs in the sun… A woman clothed with the sun"

We all agree that sun is good and we are all witnesses in heart about the goodness of the Lord… The sun is a word spoken by God and heard by all; all signs in the sun are signs from God. The sun is dancing in the House of God, at Christian sites, testifying to the word of the Lord.

The first sign in the sun was in 1917, in Fatima, through the blessed apparition of our Holy Mother; "The sun, whirling, seemed to loosen itself from the firmament and advance threateningly upon the earth"; a testimony by Dr. Almeida Garret, professor of natural sciences at Coimbra University. The Holy Mother called for repentance.

It was in the year 2000, The Golden Jubilee Year - when a group of Divine Mercy devotees started to receive visions, messages and instructions from Jesus to start to build the Church of His Mercy. However the response was not an immediate yes. For three straight years the group ignored the Lord's request to build His Church, out of fear and worry… They had mixed feelings of doubts and uncertainties how this project, which will be funded from solicitations and donations, will materialize… However, God's ways are not man's ways and the Lord rebuked them for their lack of faith with this message: "Why do you doubt? The fact that you have doubts indicate that you do not know your God, as you should. If your prayer life is infiltrated with doubts, you have denied yourself the greatest single avenue of power that your God has made available to you. Without faith it is impossible to please God. Obedience to my commands always brings fulfilment. When I give you instructions, obey immediately and watch my perfect plan unfold in your life."

Here is a sign rising from the sun; from the glory of God, from what belongs to Almighty, from the mercies of the Father… God is rising from His light of beginning – the sun, calling hearts to faith and hope. His name is Father of every consolation.

Talking about signs to Father Stefano Gobbi in 1987, the Holy Mother said that the great apostasy, the overturning of the order of nature, the incurable diseases, the continual rumors of wars, revolts and struggles… are signs of the great tribulation, and she added, "The miracle of the sun which took place at Fatima was a sign which I gave you to warn you that the times of these extraordinary phenomena which are taking place in the heavens have now arrived. And how many times during my present apparitions have you yourselves been able to contemplate the great prodigies that are taking place in the sun"

The Mercy of God

The Mercy of God is unbelievable that His sun is shining on everyone, the righteous and unrighteous, since the beginning of days, and in His immeasurable Mercy, God would also call everyone to heaven through the signs of the sun; His Will is life for all.

"Say to them, As I live, says the Lord GOD, I have no pleasure in the death of the wicked, but that the wicked turn from his way and live; turn back, turn back from your evil ways; for why will you die, O house of Israel?" (EZEKIEL 33)

The Lord invited us to learn the parable from the fig tree and all trees saying, "You see it, and you know for yourselves that summer is now near"; we see it and rejoice because the Almighty God is above sun and sea, above day and night… and nothing can take the joy of God from us.

Thank you Lord I can see

Thank you Lord because you gifted me sight that I can see… it is because of you that I see… Thank you Lord I can see the beauty of light shining above land and

trees… thank You Lord for the beauty of day and night you gifted to me. I can see, hallelujah, I can see; because of You I can see, not because of me, not because of me, not because of me… I lift up my sight to the LORD.

My soul is seeking You

In the beginning I was a child, I was born there where the sun was shining… I was standing and looking; I never saw the sun before… and when the night fell and stars appeared, it was also beautiful… I never saw the night before; I was worried if day would come back again! Surely everyone agrees that day and night are good.

Thank you Lord, you gifted my all to me, you gifted me lungs to breathe and you gifted fresh air to me… You gifted me sight and light and because of you I can see… You gifted me a wonderful heart; righteousness, goodness, love and mercy, all of them I can see, in my heart I can see… You gifted your Heart to me.

The beauty of your earth is calling for goodness; it is a word of goodness heard by all. Blessed be the day and the night in the name of the Lord… His Light is shining and His love is not hidden. His day is holy and His night is holy and His seasons are a blessing… my heart is a witness about the goodness of the Lord.

What shall I do if I am not ready?

The right-hand thief was indeed a sinner but he heard a beautiful word of forgiveness and consolation from the Lord:

"Today you will be with me in Paradise"

Do not reject the LORD when troubles come but lean on His Cross, do not depart.

It is good to have a big wooden cross at home…

it is good to pray, hallelujah

God is calling from the sun to call all people under the sun! The sun speaks with a beautiful light from Heaven to the faithful and a clear call of repentance to the sinner. God is calling from earth and from Heaven, calling all people who can hear and see. His Law is righteousness and goodness, His Law is revealed to all. His Law was from the beginning.

God is calling the heart of man to "Repent and Believe in the Gospel" - the good news, the beautiful hope.

Here we saw the Pope appearing on Vatican webcam.

Here is a man the whole world knows and his body did not corrupt after death like many other Saints in the Church, hallelujah!

His testimony did not happen to happen but God in His love for us wanted to show us the way... God is speaking with us; His word is in front of us and His word is forever. Faithful and Holy is the name of the Lord.

Dear brother, if you are seeking the truth, it is here; you saw it, complete with all the Blessings of Almighty God of LOVE.

The seat of Peter and God

Of course there is a relationship between the seat of Peter and God, but the end of the world itself is all about the seat of Peter because this is the seat of God on earth; because the 'God of Bible' is God Almighty, Lord of earth and heavens...

LET US PRAY

Psalms are prayers available in Bible; there are 150 psalms by David and other people written with inspiration from the Holy Spirit as also clarified in the last words of David (2 Samuel 23:2) "The Spirit of the LORD has spoken by me, His word is upon my tongue".

Psalm 1

Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; 2but his delight is in the law of the LORD, and on his law he meditates day and night. 3He is like a tree planted by streams of water, that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers. 4The wicked are not so, but are like chaff which the wind drives away. 5Therefore the wicked will not stand in the judgment, nor sinners in the congregation of the righteous; 6for the LORD knows the way of the righteous, but the way of the wicked will perish.

Incorrupt bodies of our brothers and sisters

The incorrupt bodies appeared in East and West i.e. in Catholic and Orthodox Churches. These are bodies of our brothers and sisters that didn't corrupt. There are more than 250 recorded instances in Catholic Church.

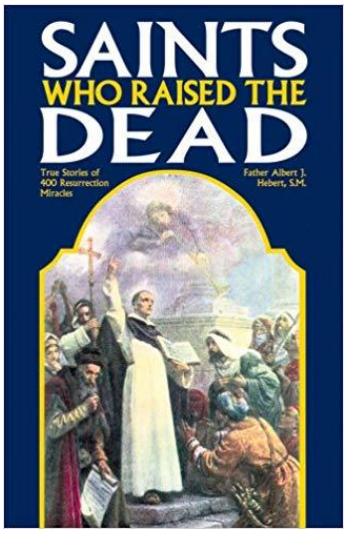
The visitation of their bodies by the faithful is often accompanied by heavenly blessings, from beautiful incense odour to healing miracles… no words can tell.

The incorrupt body of St Bernadette Soubirous gives credence to the apparitions of Holy Mother at Lourdes and so also the incorrupt body of Jacinta Marto testifies for the authenticity of apparitions at Fatima, Portugal. The non-corruption confirms the authenticity of apparitions.

To have more than 250 incorrupt people in one group of people is not a coincidence. They are our brothers and sisters! It is not because of the food nor because of the sun… it is because of what they put in heart. Thank You Jesus.

God said, "You won't let your Holy One see corruption"; the non-corruption of flesh in the House of God has to do with holiness according to the word of God.

Holy is the name of God; when I come to righteousness I have come to God - righteousness and goodness belong to Him. Yes, God loves good people…



Here is a book about the Saints of God;

Chapter 6 – NOW DISMISS YOUR SLAVE IN PEACE

GOD AND GOODNESS ARE ONE

(Luke 2:25) "Now dismiss Your slave in peace, Master, according to Your word, because my eyes have seen Your salvation, which You made ready before the face of all the peoples…"

I went astray and lost my way in a stormy day! Away from God is not Okay! The way Home got a way!

What shall I find away from light? Isn't it darkness!

What shall I find away from forgiveness? Isn't it hatred!

What shall I find away from goodness? Isn't it wickedness!

What shall I find away from love? Certainly no-love but selfishness! The third thing does not exist.

(6) Now dismiss your slave in peace

I love light, hallelujah. I love goodness and forgiveness, hallelujah. I love the word of God, hallelujah. When the Word of God is living in me I am at Home, I can't be lost, I am free and evil can't find a way to me.

I went astray, I was lost and the evil one attacked me; no one can help; no man can help! I was left alone in darkness, in prison, where I lifted my eyes to God Almighty and said, "O Lord forgive me, get me out from here, you alone can save me." And the Lord in His Mercy answered me; I heard His Beautiful Voice; He came and set me free and showed me the way.

It is through hatred that the evil one could find a wicked way to me; all people testified. The evil one acts in darkness and flees from light…

It is not hard to see where we live today! All family members are safe when mothers pray… Prayer is a precious gift from God; in His good will we pray. If we love goodness and exalt righteousness, let us then pray; let us tell Him that we love Him, let us give thanks for the light of day… How beautiful it is when we do not live alone but live with God.

Thank You Lord for coming anew to save us and show the way.

God is just beautiful; with God we are at Home, we are family.

The Gadarenes demoniac

"They came to the other side of the sea, into the country of the Gadarenes. When he had come out of the boat, immediately there met him out of the tombs a man with an unclean spirit, who had his dwelling in the tombs. Nobody could bind him anymore, not even with chains, because he had been often bound with fetters and chains, and the chains had been torn apart by him, and the fetters broken in pieces. Nobody had the strength to tame him. Always, night and day, in the tombs and in the mountains, he was crying out, and cutting himself with stones. When he saw Jesus from afar, he ran and bowed down to him, and crying out with a loud voice, he said, "What have I to do with you, Jesus, you Son of the Most High God? I adjure you by God, don't torment me." For He said to him, "Come out of the man, you unclean spirit!" JESUS asked him, "What is your name?" He said to Him, "My name is Legion, for we are many." He

begged Him much that he would not send them away out of the country. Now there was on the mountainside a great herd of pigs feeding. All the demons begged Him, saying, "Send us into the pigs, that we may enter into them." At once Jesus gave them permission. The unclean spirits came out and entered into the pigs. The herd of about two thousand rushed down the steep bank into the sea, and they were drowned in the sea. Those who fed them fled, and told it in the city and in the country. The people came to see what it was that had happened. They came to Jesus, and saw him who had been possessed by demons sitting, clothed, and in his right mind, even him who had the legion; and they were afraid." Here is a legion of evil spirits miserably seeking life here and there…

The Church

People travel and come to Church because they have a great hope and firm decision to get rid of evil spirits or demons they have, where many had them for years. Now, when the evil spirit rise up in the presence of God, the person continues to fight for his good will along with the grace of God; the person fights to make his will above the will of evil spirit.

People come to Church because they need freedom in the name of Jesus Christ; they have chosen God in their heart before coming to the

Church, hallelujah! May the grace of God visit the whole world; may all hearts choose to refute evil and fight for freedom in the holy name of Jesus.

The man of God said: "The word of God is Healing, Deliverance and Blessing, and the Lord will give me the grace; His living word in me will release you", hallelujah.

At work

At work, others may inflict unreasonable pain on you! A friend told me: "I learnt from Saint 'Therese of Lisieux' to bear my cross with the cross of Jesus… and it happened that one day, as I became a little poor foreigner in a certain faraway country, I was mistreated and humiliated at work… I literally accepted my cross in Jesus' name and through my sorrow I could see where is life and where is death; what is evil and what is goodness… God came to me and lead me to know His Holy Spirit; Blessed be His name". Now, if you are here O dear brother, rejoice, because God is calling you; He called the burdened and unlucky ones ahead of all the rest because His name is holy, He said: "Come to Me, all you labouring and burdened ones, and I will give you rest. Take up My yoke upon you, and

learn from Me, because I am meek and humble in heart, and you will find rest for your souls, for My yoke is easy, and My burden is light"

God and goodness are one

The adversary is the destroyer of love, peace, marriages and families… the destroyer of earth. It is stirring up a spirit of impurity everywhere to make the whole world sin in heart against goodness and pure heart - against God; it is a war to destroy the good heart of the world and make the earth unworthy!

When God Calls us, He is calling us to goodness. Hatred, selfishness, war and misery are not God's… but Evil's. What is evil someone asked? Dear brother, to understand evil, watch out your sorrows; watch out your own life experience i.e. this sadness you might feel in heart because of selfishness of someone or another when you are seeking goodness and love or even mercy and can't find it! In my sorrow I could see how lack of goodness was hurting me… It is evident for me that evil is death and goodness alone is life! Evil is the enemy of goodness.

Selfishness is the insider plan of Evil; it leads to hatred in families and among nations… it leads to sorrow and suffering for all.

We can see by now an evil storm like never before since the time of Adam & Eve! An evil storm which found its wicked way through the false pride of man, and here we are now in the storm… and we didn't perceive it yet! No doubt all sort of awkward things coming from here and there are fuelled by Evil to effectively catch the attention of our mind and bring destruction to heart and spirit… not only on the Internet but everywhere …all sort of unusual clothing, TV programs… are here to draw us effectively down… please note that every thought is about spirit; everything is about spirit; flesh will pass away.

The world somehow shifted away from its purpose in what concerns goodness and spirit; in what concerns the good will of the Father, and many of us, especially young people, have difficulty in seeing it because they were somehow born in it! If the earth lost the good will of the Father it would be no good for all!

Since the beginning of days goodness was beautiful and badness was ugly… and only pure hearts were gifted to know love, because this is the Law of the Lord, the Law of Creator. The Creator of earth and heavens is the Lord; His Law is shining in every heart.

When heart is pure, even sunrise is much more beautiful… but when I do evil, love is no more; evil is nothing but our death from the beauty of life! Peace, trust, hope and joy can't be but where goodness is …and I am homeless even at home when love is missing. My home is where love is; love who would love me in my weakness, in my sickness, in my fall and when the beauty of the day is no more… Thank you JESUS.

My mind, my attention!

My mind, my attention! It is here where I should pay attention. The Gospel made it easy for everyone to connect with God, it is the most precious Gift we ever had on this earth. God does exist; the Holy One is God; the Lord of righteousness and goodness, the Lord of love and mercy, the Lord of Heaven. Everything I might see, do or think about can be good or bad but nothing else, in spirit. God rejoices in goodness and goodness brings me closer to Him, however what's bad distances me from God and destroys me.

It is a spiritual war where poisonous food is spread all around to kill souls… the rise of evil is even visible. Brother, do not look at this selfish

world but remain in Him, in JESUS; "You are not from the world", said the Lord.

I pray before sleep, I say, "LORD, let this night be good on my poor and weak soul and let it be good for all…" and I keep a wooden cross at hand as I sleep. Also when I wake up at night I pray one decade of the Rosary or more before a big wooden Cross… Brother, night is as important as day.

Goodness was beautiful since the beginning of days and righteousness is the Law of God, hallelujah. May God, the Father of all goodness, Bless and Strengthen the good will in every heart.

O people of the earth, you who love righteousness and goodness, you who love His morning and eve, lift up your eyes to the Lord.

The Lord is the Hope who came from Above. He Came from Heaven to bring us to Heaven. He came that goodness and love may triumph in every heart… "Take away the stone", said the Lord.

Quote from 'True life in God' - Website: tlig.org

"… there are so many temptations in the world that souls cannot afford to be one second asleep; they should be in constant prayer and awake; these temptations arise from almost nothing; the traps that Satan puts

are so cunningly disguised that souls fall instantly inside them, completely unaware they have even fallen! But if souls only listened to Me and would pray more often and feel My Presence more often, talking to Me as their companion, or praying to Me as their Father, then they would be more aware of these traps; incessant prayers keep the devil far and their soul closer to Me"

HIS NAME WAS GIFTED TO US!

You came from Heaven and gifted your name to me! You gifted your Almighty name to me! Hallelujah! Shall I call on your name O Lord to come into my life, to come into my family! To come and heal the world! Blessed be the Mighty name of JESUS CHRIST.

Thank you Lord because I know your name; because you gifted your name to me! In your name I overcome darkness; Your name is real, Your name is GOD, Your name is YAHWEH, Your name is JESUS CHRIST, Your name is forever good and merciful; Your name is joy in my heart. O Lord Come and Heal my life.

(6) Now dismiss your slave in peace

WE HAVE ALREADY TRIUMPHED!

Thank you Lord because you are here, among us, and waiting for us to call upon your name and triumph because you have already triumphed for us; we have already overcome darkness in your name. Your Mighty name was gifted from Heaven to mankind, hallelujah, to all and everyone, yet all we need is to call upon your name, all we need is to know you O Lord; all we need is to love You and remain faithful to You. You died to give birth to us… and your name was given to the world. Just Call upon His Name! Hallelujah!

THE SORROW OF GOD!

What is the Sorrow of God? What is the greatest Sorrow of God? The Greatest Sorrow of God is that He gifted His name to us, He gifted us Salvation in His Own Blood and His Love was revealed to all but we are too lazy to Come to Him; too lazy to Know Him; too lazy to Call on His holy name in a Beautiful Word of Prayer! God did His Part in our Salvation; He came to us but we still need to go to Him! He Loved us but we still need to love Him… we need to do our Part!

God triumphed for us but we are so ignorant and unfaithful that we are losing our Triumph and our very life! This is the sorrow of God!

(6) Now dismiss your slave in peace

O my soul, O Dear Brother and Sister, what are we doing! Go and read the Bible, Eat it! We are happy and strong because Jesus came to us; because we already know Him. If Jesus didn't come, what we would do now in this darkness? We have no eyes to see what's going on… and no strength to fight! Behold Creator and Christ.

"Todd Burpo is the former pastor of Crossroads Wesleyan Church in Imperial, Nebraska, and his son Colton had emergency surgery on March 5, 2003 at the age of three. During the months after surgery, Colton began describing events and people that seemed impossible for

him to have known about. Examples include knowledge of an unborn sister miscarried by his mother in 1998 and details of a great-grandfather who had died 30 years before Colton was born. Colton also explained how he met Jesus riding a rainbow-colored horse and sat in Jesus' lap while angels sang songs to him. He also saw Mary, the Mother of JESUS, kneeling before the throne of God and at other times standing beside Jesus".

As I watch these videos for the first time, at a moment I felt like my soul was awakened once more to the goodness of God... I believe we are here to grow in goodness because there is a Heaven upstairs. No one should miss that God and goodness are one. How good and holy is the will of God for all of us.

In this great and generous testimony we can see that the punishment brought by God is just a meeting with the truth; a meeting with righteousness.

O Lord, make us understand that life is holy, so holy, and You are the Giver and the Judge, the Father of all gifts… our Father.

This testimony reveals that the soul is born in the womb; a great miracle God is performing in our world. Add that the theory of atheism or evolution is wrong, deception and true sin and evil…

God does exist; He gifted day and night and gifted life and love through this holy flesh, in His good will of Father. All goodness came from Him and we are all receiving from His goodness and because of Him; His Light is shining in our hearts.

Our world is contained within a bigger Truth we can't see; we can only feel it in heart.

O Lord, from Yourself You gifted me this Beautiful Humanity in which I live and breathe; You are my beautiful morning and eve; my life and my breath of life… Blessed be Your Name; because of You I am.

O my soul; Love, justice and Mercy did not come from soil and water but from His Love and Mercy we have all received love and mercy. Thank You Lord I can see, because of You I can see, not because of me...

Love is calling you

God is good and Evil is bad; that simple is the truth. Love, sincere heart and true peace and joy belong to God alone; He is the Father of all goodness and His light is shining. As we know, Lust has never been love, it is a crime maker…

Flesh is the same for all people but not all people are the same inside, because man is all about spirit; about heart and soul. Flesh is blessed for it is the gate of life, everyone's life, and we are called to respect flesh because through flesh we happen to see the light. However, when I

become a cause of lust I become a killer; prudery is part of our conscience which is from God… Yes, we were not born naked but clothed with conscience, mind and heart.

All beauty we have is from God… and flesh can bear good or bad fruits; the third thing does not exist. God has gifted us life and nothing is greater than life, ever - His goodness is our life and because of Him we are.

Love is stronger

What is lust? Lust is a void not a thing; it is the absence of light; the absence of love, and it needs healing; it needs love. Lust can reach the point of crime; it did, it killed many, it killed without mercy…

For anyone who loves, who happens to know love, lust does not exist. Love is goodness… love is faith and prayer… Love belongs to God.

Blessed be all good women and men who wear for the goodness of heart and woe to those who don't care about others - among them the sick, the poor, the young and the old. If you don't care about God how shall God care about you!

Lust drives hearts to destruction; it demands healing. Remember that earth and heavens belong to God, and flesh and love were gifted by Him

in the good will of the Father... If I can't imagine myself animal, not for a second, why should I run in such a direction.

Love belongs to God

Lust also means that I have no love for people around me, I don't see them, I don't care about them, and I have no mercy for them, yet I still count them and need them to destroy them; this is literally how sin and the evil one work. Lust also means I am not beautiful; I will be ugly soon or later… yet I would continue to search for beauty I didn't labour in, to destroy it. Lust is a non-sincere heart, a non-love, and trust and peace can't be there… it is like when I fall no one would care about me since love alone knows sacrifice. Do not allow lust to deceive you, get out; be filled with love, love belongs to God.

Stars and night

Only pure hearts were gifted to know love, because this is the Law of the Lord, the Law of Creator. The Creator of earth and heavens is the Lord.

When heart is pure, even sunrise is more beautiful… but evil brings death to the beauty.

Since the beginning of days goodness was beautiful; if I am not good, love would not die, but it would die in me! It is me who would die, but stars and night would continue to be as beautiful as they were before!

A little child can tell the truth

I heard a little child at the bosom of his mother saying, "Love who has no darkness does exist; it is true and it is real, it is one and no division in it, it is complete in goodness…" and I also heard the mother saying to her child, "I love you dear, out of my love for you and because of you I love you…"

The one who is not ready to sacrifice himself for the sake of love is not yet in love - true love is not here.

In selfishness there is no sacrifice; there is no one who cares about me!

They had no mercy in my sorrow and no hope for me to breathe!

A pure heart is the law of God and goodness alone was beautiful since the beginning of days. My heart is a witness about the Lord; His Law is a Law of goodness, a law of life; a law of love and peace.

God is calling me

God said in Revelation 3:20; "Behold, I stand at the door and knock. If anyone hears my voice and opens the door, then I will come in to him, and will dine with him, and he with me"

Those good-hearted people who live in the Spirit of Christ are light shining in darkness; in midst of troubles they are stronger… but those who don't have the light of Christ are now called by His Beautiful Light, to come to His Light as long as the sun is shining and there is what we call day and night. God is Calling everyone to goodness; He is Calling everyone to Life. His Voice is heard all over the world.

A note to the reader

People are not holy, no one of them… no man is holy but the Holy One who came from above, who said, 'I Am the Way, the Truth, and the Life', whom faithful followers were lifted to the throne of Heaven and they are called Saints on earth and in Heaven; they are Kings and Queens in the Kingdom of the Most High. Yes, it is worthy to learn from our beloved Saints - not from people - because they followed the LORD of HEAVEN Himself – they followed JESUS.

Men are sinners and any testimony with no sincere tears of love, hope and joy because of God, is not Heaven - it might be too far. The after life is like a big space, just to say, and hell is part of it. Away from sincere tears of hope and joy is indeed not God… take heed that the evil one is also on the other side.

All I need is God and without Him nothing can help. I need to pray. The way is narrow, and I need to follow the LORD.

Please care about every moment of your life because every moment is a gift from God and it can be a beautiful word of Prayer. Every moment is coming from a great love, from His love.

My joy is in the Saints of God because they are the joy of earth and Heaven, and they are pouring their Blessings from above.

O Lord, Help us to live like one big family that all diseases of selfishness, hatred, impurity and mistreatment may be healed from the earth. Amen.

Chapter 8 – OUR BELOVED SAINTS

HOLY IS THE NAME OF GOD

Love alone and virtues bring us closer to Him and Light is testifying about Himself.

He is the Father of the Saints, of the poor and forgotten ones… He is the Father of all.

He is the Holy One who Came from Heaven and accepted our sins upon Himself, and carried our cross and died for us.

He is the True and Faithful One, who lifted His holy servants to His glory and kingdom of Heaven.

"I will open my mouth in parables;

I will utter things hidden from the foundation of the world",

said the Lord.

Yes, they are the joy of earth and Heaven… the Saints of God.

HELL does exist! We need to know that life is holy, so holy, and sin offends God, the Holy One. Yes, life is not coming from nowhere but coming from God; God created the universe to create us and we are feeling God's righteousness, beauty, love and call inside of us… yes, man is responsible for his behaviour. Add that the Holy One – the Divine Son of God – was crucified to save sinners from hell, all those who would repent; Great is the mercy of God.

In the Beatitudes, Jesus called the poor to a great hope because God does exist and because God is Holy, and this is the Good News of Heaven.

The Lord invited us to poverty, He said, "If you want to be perfect, go, sell what you have, and give to the poor, and you will have treasure in Heaven; and come, follow me" (Mathew 19:21) and this is what our Saints did – our Christian Heroes.

The Lord called us to serve, He said, "…whoever wants to become great among you shall be your servant. Whoever of you who wants to become first among you, shall be bondservant of all." (Mark 10: 43-44).

He also said, "Whoever doesn't bear his own cross, and come after me, can't be my disciple" (Luke 14:27) and "He who doesn't take his cross and follow after me, isn't worthy of me." (Mathew 10: 38). The Lord also said, "Whoever wants to come after me, let him deny himself, and take up his cross, and follow me. For whoever wants to save his life will lose it; and whoever will lose his life for my sake and the sake of the Good News will save it." (Mark 8:34 - 35).

God gifted a cross to all, making all His Creation on the way of sanctification, on the way to Heaven. It is the cross of work and living, the cross of sickness and aging, the cross of sadness when someone we love dies… it is the everyday cross of life. In fact, the earth is the birthplace of our souls where we are also sanctified. Our Lord came from Heaven and joined the poor; He suffered a lot… and me, what shall I do? I carry my cross behind Him with faith and trust; I bear my cross with prayer. I live for God, the Holy One, not for myself, as Saint Paul said, "I live no more but Christ lives in me". I live the faith in the word of God till the end, taking hold of Christ our Saviour and Son of God.

Our Cross is, in the power of God, an act of love for sinners to repent and be saved... We do not weep for those suffering with Christ but we weep for those walking on the way of perdition.

Our Saints loved Jesus Christ so much, so that they also suffered with Him! They could see God's Beauty!

So the Lord opened in front of us the door of work to serve Him as much as we wish... as much as we can.

After 2000 years since the birth of Christ, there are lot of Saints in the Church; you can find about them in books.

What can I do now? How to serve the Lord? How to join the poor?

1. I pray and seek the will of God...
2. I live like the poor and help the poor.
3. I work and live in the spirit of service and sacrifice of self, serving all on the word of the Lord.
4. I consider mortification like the Saints did: I wake up early to pray, I fast...
5. I carry my cross like my Lord did: the cross of fatigue, selfishness, lack of love, offence, sickness, pain...
6. I bring the Good News to all in humility and love.

Holy are you O God

Saints did not become Saints because they knelt down and prayed, and they did not become Saints because they lived in faith, humility and love… but they became Saints because God does exist and because God is holy.

Our beloved Saints put all the hope of their hearts in Christ and God lifted them to the glory of His kingdom of Heaven. Alleluia! Alone the virtuous life brings us closer to God and light is testifying about itself…

Christ came, opened our eyes to the truth, walked ahead of us, and made the earth give Saints to Heaven: "I will open my mouth in parables, I will utter things which have been hidden from the foundation of the world" (Mathew 13:35), God said.

Through the works of our beloved Saints, especially their miracles on earth after their death, we can see the glory, honor and kingdom God granted to them; yes, we can see God's love and great will for us! Yes, we

saw the promise of Christ fulfilled in our beloved Saints, for he said, "And as My Father appointed to Me, I appoint to you a kingdom" (Luke 22:29).

Without the Saints of God - our brothers and sisters - it seems harder to believe in God; from here we perceive that the testimonies of the faithful – like healing testimonies through Saints – are of high and unique value... Yes, through our Saints we love God and we love the earth – this great sanctuary God made for us in his generous will.

We are not forsaken but God does exist and Christ is the Son of God. Yes, God is lifting our brothers and sisters to his kingdom because his will is so great for the righteous! Holy is the name of God.

I love you O my holy brothers, Dear Saints of God, you are the gladness of the Lord and the hope of mankind... We are all called to follow you. I trust in God's love for you.

Nothing can take your joy from us

Sanctity is beautiful… your Saints are beautiful… yes, you are beautiful O Lord and I want to be good out of my love for you; because of your beauty I want to be good. Nothing would stop me from becoming

good… Jesus I trust in you. Truth is all about how much I am good; how much I love you.

Yes, You are holy O Lord, You are the Lord of righteousness and goodness and nothing can take your joy from us; nothing can take away our faith and trust in you because you lifted our brothers to the glory of your Kingdom of Heaven! The honor you gifted to your Saints reveals your great love for them, O Holy One.

Let us lift up our sight to our Saints, our brothers and sisters; they died and entered the unknown – what we can never see – and then came back to us with lights and miracles testifying for the word of the Gospel and the love of God for good people.

Our Christian faith is complete and self-sufficient because we live in the hope of our Saints; those who put all their hope in Christ and the Almighty lifted them to His eternal kingdom of Heaven. Glory be to God. Thank you Lord, O Holy One.

Chapter 9 - SAINT MARY; Holy Mother of JESUS

"A great sign was seen in heaven: a woman clothed with the sun, and the moon under her feet, and on her head a crown of twelve stars… Another sign was seen in heaven. Behold, a great red dragon, having seven heads and ten horns… the old serpent, he who is called the devil and Satan… the dragon persecuted the woman… and went away to make war with the rest of her seed, who keep God's commandments and hold Jesus' testimony." In the 1500s, about 8 million Mexican Indians converted from old, miserable and evil traditions to Christianity through Mary, the Mother of the Lord, and the evil one was crashed, hence the Guadalupe Picture and the term "She who crashes the serpent". Misery was crashed and light testified for itself… She called men to life when they were lost… Blessed be the name of God.

'The Resurrection and Life' Came from Heaven and said, "Lazarus Come out" but some people are still far from God; they are like sorrows in the Heart of God… it was because of His sorrows that He came and died; because of His love for us, and without His love He wouldn't come. His Love is calling us to do something for our brothers and sisters; to pray for them in His Prayer and to love them in His love. God gifted His sorrows to us – the sorrows of goodness and love.

The Clothes of the Holy Mother reflected the message itself like if talking to people through everything; yes, Heaven speaks through everything, not only with words… and Jesus was born in the heart of aboriginal people; they were born in the true God of life.

While Inspired by our Lady of Guadalope, let us pray for the conversion of sinners. Through Her love, the Holy Mother is saving us.

Here is a Message calling everyone to goodness, forgiveness, peace, purity of heart, faithfulness, faith in holiness and in Heaven; faith in God.

Thousands of people were healed in heart and saved, while lot of misery and sorrow were prevented, what no single man can do.

That was a beautiful glimpse of Heaven yet we can't see the glory of Heaven with eyes but we only saw the heavenly message conveyed to us; a message of love and peace calling everyone to 'Repent and Believe in the Gospel' of Heaven which is the most precious gift we ever had on this earth.

Dear Brother and Sister, think Heaven; what benefit would be for me if I happen to know as too late, that it was Him, the Holy One, God Almighty who said, "This is My Beloved Son". Let us now repent and pray in Jesus' name.

The Holy Mother was weeping all the time as She was talking to the children about these unhappy days…

Since the Coming of Christ to bring Peace to this poor world, the Church received many attacks from this world and was saved by God alone. Away from faith, humility, love, goodness, prayer, mercy and sacrifice for the dead to live… nothing would be found here on earth; **"Ephatha"**, says the LORD.

At a certain time, the growing darkness of the world would infiltrate into the Church; a sad moment to weep bitterly about with the Holy Mother if we were faithful to God… not only Christians but the whole

world should weep. We weep the sorrows that would come upon the earth; we weep our unfaithfulness to God, the Father of day and night…

Our love for Christ will be tested when His Church sees weakness! God will ask you about your love!

How important it is to perceive the truth and how terrible to miss it; the truth is, 'The God of Bible' is literally God Almighty Creator of earth and heavens… and like sun and heavens belong to God so is the Seat of Peter on earth, the Seat of Christ.

Saint Pope John Paul II said:

"We are now facing the final confrontation between the Church and the anti-Church, between the Gospel and the anti-Gospel, between Christ and the antichrist".

Please note that the discernment of antichrist should be always in spirit and in prayer not in blind considerations.

Dear Brother, Take heed that we are not after knowledge and prophesy itself but after goodness, holiness and Heaven - the hope of our hearts.

Jacinta's body remained incorrupt after her death; a merciful sign from Heaven toward the importance of the message of Fatima.

We have seen Mary, the Mother of the Lord, 'Clothed with the sun' for Her Children, to save their souls; Clothed with the glory of God.

This miracle of the sun at Fatima is a great sign about the merciful Heart of God… God is seeking to save the soul of man, all of them. No doubt, the wickedness of men is sorrow in God's Heart.

Sister Lucia speaking (As in the videos)

"Tell them also, father, that my cousins Francisco and Jacinta sacrificed themselves because in all the apparitions of the Most Holy Virgin they always saw Her very sad … this sadness is caused by the offences against God and the punishment which menace sinners. And so, we children, did not know what to think except to invent various means of praying and making sacrifices"

"At around 4 pm on January 3, 1944, in the chapel of the convent, before the tabernacle, Lucia asked Jesus to make known his will: I then

felt a friendly hand, maternal and affectionate touch my shoulder, and the Mother of God said to me 'Be at peace and write what I have commanded you…' immediately afterward, I felt my spirit inundated by a mystery of light that is God and in Him I saw and heard: I saw the point of a lance like a flame that is detached touches the axis of the earth and it trembles; mountains, cities, towns and villages with their inhabitants are buried…"

"… my mission is not to indicate to the world the material punishments which are certain to come if the world does not pray and do penance beforehand. No! My mission is to indicate to everyone the imminent danger we are in of losing our souls for all eternity if we remain obstinate in sin"

How shall I face a disaster… even death?

Dear brother and sister,

Face it with prayer. Face it in God. Cry out to JESUS, to Mary and to the Saints. Pray. God is stronger than nature, God is above nature… God is stronger than death… God is above death… The Lord said in the Gospel, "Do not fear what kills the body" and also said, "Today you will be with Me in paradise".

The Gospel told us that Saint Stephen was stoned till death and he faced it all with prayer till his last breath when he said, "Lord Jesus, receive my spirit".

Dear reader, Heaven is our Home where we will meet again all together; we will meet all our beloved people and meet our Lord Jesus Christ who is already there, who died on the cross. Heaven is our true Home.

Please pray every day, be prepared, because everyone of us got a date when it will leave this world and go Home, to Heaven, to the House of the Father.

Let us also pray for the kingdom of God to come upon the earth where all sufferings will be no more.

In the name of God – Father, Son, and Holy Spirit – we pray.

//youtu.be/7vLKZfaxbaA

When a mother sheds tears before her children, there is a serious reason; of course there is!

The Holy Mother appeared in the video with a cross behind her; this is Her own cross which reads in spirit that the Mother of the Lord is indeed suffering in the Sorrow of God; suffering with us that we may not be left alone in this darkness; suffering for our sake, with Her Son JESUS. The Cross defeats darkness because it was through His Cross that JESUS defeated Satan on earth, and called everyone to accept his cross united with His. He is the Lord of our Salvation to Heaven, and souls united with Him will see the Kingdom of God.

Today, Lot of souls do perish - just think about it; from here comes the sincere call to pray and accept the cross as an act of love for them, so that they might come to God and be saved... yes, we need to bring the Good News to these people... we need to share our testimony with them.

Sister Sasagawa's message

"Start praying to God with good and pure heart, convert to God and turn your lives over to Him, it is important to become a Christian and to know the Mercy of God. God wants us to amend our lives. The world is so corrupt and egocentric. God loves us so deeply and He is trying to save us

from the chastisment, through our Lady messages. Only prayer will accomplish the road of spreading the message".

The Message of Mother Mary to Sister Sasagawa

Sister Sasagawa said: "Previously I had been addressed as 'My daughter, My novice', but this time Mother Mary said 'My loving daughter', Her voice was very serious, She said: 'My loving daughter listen carefully to what I am going to say now, and tell your superior about it. As I previously told you, if people do not repent, the Father will visit a great punishment on humanity; at this time, the Father must give a punishment heavier than the flood and more severe than ever before. A fire will come down from heaven, due to the disaster many will die, good people together with bad people, preists together with the faithful, will die. Survivors will have such hardship that they will envy the dead. At that time the only weapons left to us will be the Rosary and the sign of my Son. Pray the Rosary every day. Pray for bishops and preists with the Rosary. The devil will infiltrate the Church, Cardinals will oppose Cardinals, Bishops will be against Bishops, those preists who revere Me will be despised and attacked by their colleagues. Churches and altars will be desecrated. The Church will be filled with those who accept

compromise. The devil will lead many preists and religious to resign their calling. The devil is especially working on souls who are consecrated to the Father. The loss of many souls is my distress. There will be no forgiveness if sins continue. Have the courage to tell your superior about this. Your superior will call everyone to pray hard, telling them to strive with devotions of prayer and reparation' They were stern words".

Sister Sasagawa said: "The Blessed Mother was seeking souls who would console the Lord and soften the anger of the heavenly Father. Mary stressed that calamities were hanging over the world because of the ingratitude and disobediance of mankind… Prayer, penance, poverty and acts of sacrifice; these courageous acts can soften the Father's anger. We should love poverty and sanctify ourselves and make reparation for the ingratitude of so many. We should say our daily prayer with awareness of its meaning and put it into practice in reparation for sin. It is important to gather together and pray to the best of our ability"

The Holy Mother also said to Sister Sasagawa: "My daughter, my novice, do you love the LORD, if you love the LORD listen to what I have to say to you, it is very important, convey it to your superior. Many men in

this world greive the LORD; I seek souls to console Him. In order to appease the anger of the Heavenly Father, I wish with my Son for souls who make reparation for sinners and the ungrateful, by offering up their suffering and poverty to God on their behalf… with my Son, many times I have tried to appease the wrath of the Heavenly Father. I have prevented the coming of chastisement by offering Him the sufferings of His Son on the cross, His precious blood, and the compassionate souls who console the heavenly Father… is what you think in your heart true? Are you truly prepared to become the rejected stone? My novice, you who wish to become the pure bride of the LORD, in order that you the bride become the spouse worthy of the Holy Bridegrom, make your vows with heart readiness to be fastened on the cross with 3 nails; these 3 nails are honest poverty, chastity and obediance, of the three, obediance is the foundation; with whole obediance follow your superior." "Pray very much for the Pope, Bishops, and preists"

The Message: "We must make many sacrifices, perform much penance, and visit the Blessed Sacrament frequently, but first we must lead good lives. The cup is already filling up, and if we don't change, a very great chastisement will come upon us", Conchita said.

The Warning: "You can be at any place, you will feel this warning, a threat from God, no human way can explain it. You will feel inside you and see with your eyes. For me, it is like 2 stars in crash with lot of noise and

light but won't fall down, no hurt, but in that moment we will see our conscience; everything wrong we did, also the good we did", Conchita said.

The Miracle: The purpose of it is to save us; to change our life. Miracle will be in Garabandal where everybody can see it; the sick will be cured, and sinners converted. A Sign to appear at pine trees where they saw the Blessed Mother, and which lasts forever. Conchita will tell about the miracle 8 days ahead.

The Warning will come first and will be followed by the Miracle as a last call from God.

Conchita said, "They have left my soul filled with peace and joy, and a great desire to overcome my faults, and to love with all my strength the hearts of Jesus and Mary who love us so much"

All goodness and words of Love Come from God and no one can speak about Love but God. Every one wish to see God and God in His good will would appear to everyone and give more Messages that "the earth would be filled of His knowledge like water covers seas" where His Message is forever One, forever New, and forever Beautiful. Clear, sincere, and beautiful Messages from Our Lord and the Holy Mother are on website.

It's never been late to repent, even in tribulation itself a sinner can repent like the right hand theif and hear the beautiful word of forgiveness, "Today, you will be with Me in paradise".

God is suffering because goodness and love are suffering inside of us. Behold, God is watching - the Father of love and goodness who gifted everything in His good will of Father. The world is in a state of corruption…

The worldwide warning/ the illumination of our souls

The worldwide warning or Illumination of our souls will come first as revealed in Grabandal's; in His Mercy God wants us to wake up to goodness and Heaven… this seems like the sixth seal of the Revelation: please read Revelation 6:12.

Those who would blespheme God in troubles do not know yet that God is everything and without Him we are dead; they do not know that every moment is coming from a great love, from His love… and every breath of life too. Our morning and eve and our beautiful humanity are here because of Him. Because of Him we are; 'Ephatha', says the LORD. Only when we accept our misery as ours and lift up our sight to the Holy Face of God we will be in Truth and His light will shine upon us. Holy is the name of God.

How do we prepare for what is coming? We prepare in faith, in prayer, in the word of God… We prepare together. No fear because God is the LORD; the Lord of earth and heavens is God. His name is Righteous, Faithful and Holy. His Law is before our eyes and His Son is JESUS.

I will accept the Cross in JESUS' name;

in His sorrows, in His heart and faithfulness, in His forgiveness, in His thirst and prayer from the top of the Cross,

and in His trust and Love to the Father. Yes, in His name I will pray.

The right hand theif heard words of forgiveness and consolation, he heard: "Today you will be with Me in Paradise."

PSALM 34

I will bless Yahweh at all times; his praise continually on my lips. [2]I will praise Yahweh from my heart; let the humble hear and rejoice. [3]Proclaim with me the greatness of Yahweh, let us acclaim his name together. [4]I seek Yahweh and he answers me, frees me from all my fears. [5]Fix your gaze on Yahweh and your face will grow bright, You will never hang your head in shame. [6]A pauper calls out and Yahweh hears, saves him from all his troubles. [7]The angel of Yahweh encamps around those who fear him, and rescues them.

[8]Taste and see that Yahweh is good. How blessed are those who take refuge in him. [9]Fear Yahweh, you his holy ones; those who fear him lack for nothing. [10]Young lions may go needy and hungry, but those who seek Yahweh lack nothing good. [11]Come my children, listen to me, I will teach you the fear of Yahweh. [12]Who among you delights in life, Longs for time to enjoy prosperity? [13]Guard your tongue from evil, your lips from any breath of deceit. [14]Turn away from evil and do good, seek peace and pursue it. [15]The eyes of Yahweh are on the upright, his ear turned to their cry. [16]But Yahweh's face is set against those who do evil, to cut off the memory of them from the earth. [17]They cry in anguish and Yahweh hears, and rescues them from all their troubles. [18]Yahweh is near to the broken-hearted, He helps those whose spirit is crushed. [19]Though hardships without number beset the upright, Yahweh brings rescue from them all. [20]Yahweh takes care of all their bones; not one of them will be broken. [21]But the wicked evil brings death, those who hate the upright will pay the penalty. [22]Yahweh ransoms the lives of those who serve him, And there will be no penalty for those who take refuge in him.

It is impossible for me to love JESUS and trust in His Love for me if I don't trust in JESUS' Love to His Mother Mary - the Blessed One among women. Also my trust in the Father's Love for me comes from His great Love to JESUS, Mary and His people.

The Cross

The Cross which appears behind the Holy Mother in paintings is not JESUS' Cross but Mary's Cross. Everyone suffers on his cross; everyone got a cross behind him if you will; it is the cross of the Good News which the world still refutes and inflicts sorrows upon us.

United, united, united in the Heart of Mary as good children of God, we remain faithful to His feet pierced for our sake; He who died for us when we were dead... We believe in Jesus' love to His Mother because we believe in JESUS' Love. Without our trust in JESUS' Love we can't be Christians and without our trust in the Father's love to all those who suffered with JESUS, especially His Mother, we can't be Christians. Only when we accept Mary as a Mother glorified by God, we have then believed in God's love and promises, He who said, 'Rejoice favoured one' to She who witnessed Her Son crucified!

The Hour has come when the Lord wants Catholic, Orthodox and Protestant Christians to be united. 'Ephatha', says the Lord. Without accepting Mary and the Saints of God as glorified in Heaven according to the promise of God, we have then denied the good will and the Love of the Father and the Son.

God can see the soul and the thoughts of man and can speak to everyone in his questions, problems and needs…

When the LORD of earth and Heaven is unhappy about the behavior of man, what matter could be of higher importance, or what news in the world are still of value?

The Holy Mother is speaking for our salvation not for our death.

God is Calling us from earth and heaven; He is calling for the same and simple demand: Repent from non-sincere heart O little man and be faithful to your God. Come to the beautiful light of Jesus Christ.

Dear Brother, no matter who you are or where you live… God is calling you right now for everyone who can see and hear is now called. No one is late but now is the time. God is Eternal.

The universe is fine tuned in favour of human/conscious life on earth: all scientists agree upon this fact.

If the universe wasn't fine-tuned including the big bang we wouldn't be here to discuss it!

If all happened by chance it means that all what we are is also by chance i.e. it is all due to matter.

These videos are a way to show that God is here.

Additional Testimonies by Scientists

Fred Hoyle (British astrophysicist): "A common sense interpretation of the facts suggests that a super-intellect has monkeyed with physics, as well as with chemistry and biology, and that there are no blind forces worth speaking about in nature. The numbers one calculates from the facts seem to me so overwhelming as to put this conclusion almost beyond question."

Paul Davies (British astrophysicist): "There is for me powerful evidence that there is something going on behind it all.... It seems as though

somebody has fine-tuned nature's numbers to make the Universe....The impression of design is overwhelming".

"The laws [of physics] ... seem to be the product of exceedingly ingenious design... The universe must have a purpose".

Robert Jastrow (self-proclaimed agnostic): "For the scientist who has lived by his faith in the power of reason, the story ends like a bad dream. He has scaled the mountains of ignorance; he is about to conquer the highest peak; as he pulls himself over the final rock, he is greeted by a band of theologians who have been sitting there for centuries." Click here to watch the video 5.19min //youtu.be/3DiHmM8gUW4

George Ellis (British astrophysicist): "Amazing fine tuning occurs in the laws that make this [complexity] possible. Realization of the complexity of what is accomplished makes it very difficult not to use the word 'miraculous' without taking a stand as to the ontological status of the word."

Alan Sandage (winner of the Crawford prize in astronomy): "I find it quite improbable that such order came out of chaos. There has to be some organizing principle. God to me is a mystery but is the explanation for the miracle of existence, why there is something instead of nothing."

John O'Keefe (astronomer at NASA): "We are, by astronomical standards, a pampered, cosseted, cherished group of creatures.. .. If the Universe had not been made with the most exacting precision we could never have come into existence. It is my view that these circumstances indicate the universe was created for man to live in

George Greenstein (astronomer): "As we survey all the evidence, the thought insistently arises that some supernatural agency - or, rather, Agency - must be involved. Is it possible that suddenly, without intending to, we have stumbled upon scientific proof of the existence of a Supreme Being? Was it God who stepped in and so providentially crafted the cosmos for our benefit?"

Arno Penzias (Nobel prize in physics): "Astronomy leads us to a unique event, a universe which was created out of nothing, one with the very delicate balance needed to provide exactly the conditions required to permit life, and one which has an underlying (one might say 'supernatural') plan."

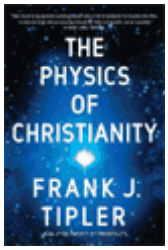
Roger Penrose (mathematician and author): "I would say the universe has a purpose. It's not there just somehow by chance."

Tony Rothman (physicist): "When confronted with the order and beauty of the universe and the strange coincidences of nature, it's very

tempting to take the leap of faith from science into religion. I am sure many physicists want to. I only wish they would admit it."

Vera Kistiakowsky (MIT physicist): "The exquisite order displayed by our scientific understanding of the physical world calls for the divine."

Stephen Hawking (British astrophysicist): "Then we shall… be able to take part in the discussion of the question of why it is that we and the universe exist. If we find the answer to that, it would be the ultimate triumph of human reason - for then we would know the mind of God."



Frank Tipler (Professor of Mathematical Physics): "When I began my career as a cosmologist some twenty years ago, I was a convinced atheist. I never in my wildest dreams imagined that one day I would be writing a book purporting to show that the central claims of Judeo-Christian theology are in fact true, that these claims are straightforward deductions of the laws of physics as we now understand them. I have been forced into these conclusions by the inexorable logic of my own special branch of physics." Note: Tipler since has actually converted to Christianity, hence his latest book, "The Physics of Christianity".

Alexander Polyakov (Soviet mathematician): "We know that nature is described by the best of all possible mathematics because God created it."

Ed Harrison (cosmologist): "Here is the cosmological proof of the existence of God - the design argument of Paley - updated and refurbished. The fine tuning of the universe provides prima facie evidence of deistic design. Take your choice: blind chance that requires multitudes of universes or design that requires only one.... Many scientists, when they admit their views, incline toward the teleological or design argument."

Edward Milne (British cosmologist): "As to the cause of the Universe, in context of expansion, that is left for the reader to insert, but our picture is incomplete without Him [God]."

Barry Parker (cosmologist): "Who created these laws? There is no question but that a God will always be needed."

Drs. Zehavi, and Dekel (cosmologists): "This type of universe, however, seems to require a degree of fine tuning of the initial conditions that is in apparent conflict with 'common wisdom'."

Arthur L. Schawlow (Professor of Physics at Stanford University, 1981 Nobel Prize in physics): "It seems to me that when confronted with the

marvels of life and the universe, one must ask why and not just how. The only possible answers are religious. . . . I find a need for God in the universe and in my own life."

Henry "Fritz" Schaefer (Graham Perdue Professor of Chemistry and director of the Center for Computational Quantum Chemistry at the University of Georgia): "The significance and joy in my science comes in those occasional moments of discovering something new and saying to myself, 'So that's how God did it.' My goal is to understand a little corner of God's plan."

My Kingdom is not from this world

When Saint Paul was preaching resurrection from death to people who never heard about Christ, they went away saying, "We would hear about this later on"; they couldn't believe, however some good-hearted people fell in love with the word of God; a great hope in heart where nothing can be much beautiful… and those people started to seek God in Jesus Christ. Yes, we are seeking God. If I am seeing and thinking, it is because of Him. If I am breathing, it is because of Him. If I am remembering… if I am feeling love and mercy… these did not come from soil and water but from God… and more, the LORD healed the sight of the blind and broke

the impossible for me to see because I can see – because I was gifted to see. Thank You Lord I can see, because of You I can see, not because of me… God knows that I can see, and God is talking to me! For me He called water into wine and dead to life –not for birds- **calling my attention to something greater and above this world;** above what we can see, perceive and judge; and because of this alone, God left no room for us – for our strength– but to believe. **Our wisdom is no more**. He gifted us enough wisdom to see… however, God gifted us even much more than this because He who called the dead from the tomb, also lead Himself to the tomb and let Himself be buried. Like a most unfortunate creature He suffered testifying about His Word and Holy Name **that we may believe in His Word above this world;** that we may believe in His blood; in His testimony. God can't tell it better! We got to understand because we were gifted to understand and God knows that we can understand. It is our misery to not understand when we should. In fact, we rejected Him and He drank the cup of our misery till the end exalting love from the top of the cross; I can't but seek the Heart of JESUS! Truth is there in His big Heart! Please lift up your sight to Him.

A Lesson from our Lord: Lesson #30 – RETURN TO GOD

"My dear little one, if ever I wanted to stress upon my people the importance and significance of prayer, there would be no more opportune time than the present. I am not asking my people to give me all their undivided attention. I am asking them to return back to God and to give even a little of their time in prayer and thanksgiving to my Father for all the wonders he gives to all people continuously and unconditionally. If all my people would pray daily even for a small amount of time, there would be peace and unity. Some of my beloved ones are praying yet many are not. If ALL would pray there would

be peace through love and mercy. I desire to give to my people all good things from above. I have given my words of love and my teachings in hope that my people will return to the way of truth. The future is contingent upon prayer. Much can be mitigated through prayer.

My Father is merciful and kind especially to the repentant sinner. Just as Nineveh was spared, so too can the world in which you live be spared. Love and mercy are key elements and virtues of the truth. My Father is tender and kind. He seeks the humble hearts and he is a patient God. There is a tremendous hope for the journey for all who desire to know and live the truth. I would like to continue to give my lessons to my people, but I have given my word through the scriptures, and I am still waiting for my people to live my word. My word is THE word. It is already written. It has been available to my people for 2000 years. No new words will make any difference if my word through scripture is not practiced. My beloved priests, bishops, cardinals, deacons, religious, nuns, and even Christian evangelicals and ministers may have studied my word, but I have invited ALL my people of the world to live my word. There comes a time, little one, when no additional words from me will make any difference or make a greater impact on people. Those who desire my

word have it already. For those who do not desire to know my word, then no other words from me will change their hearts.

Pray for all people. Pray and love all people, even those who seem to be farthest away. Do not be afraid to pray for those who are your enemies. Do not harden your hearts but walk through clouds of anger and bitterness and meet them with love, strength and mercy on the other side. There is no need to take justice into your own hands. There is no need to take prosecution to the full extent of the law. What are needed are contrite hearts, merciful hearts, and hearts of compassion. Those who live my word have hearts of love, mercy, patience and compassion. Those who do not live my word have hearts of stone and live not in my world but in their own. You cannot serve two masters. Those who live by my word of truth and love know that justice will be fulfilled at the hand of my Father. You cannot say you are a child of God, a chosen people, and then through words and actions contradict the law of love as I have given it to you. If you pray you will know the truth, for the least contradiction to loving would cause inner division, for love and hate are not able to be mixed.

I await my people to return to love. This does not mean that man is perfect or will not fail. If that were the case, my death for love of you

would have been in vain. It means that through prayer and humility in accepting yourself in failure, you are able to grow in holiness and reach the kingdom through patience and the virtues dispensed from God…"

God would also speak to you

The holy prophets of the Bible received messages from God and lot of blessed people like Simeon and Anna of the Gospel also received messages… and God would also speak to you when you remain in Him; in goodness and purity of heart, in His Will, and do not go out to selfishness or what displeases goodness because it also displeases the living God. His name is Holy and because of His name we have eternal peace in our heart… God can see your soul and thoughts and talk to you only in what you can understand; in your need, your question, your language, and in the measure you can receive… hence the messages are different amongst people but are one in essence repeating the message of the Gospel in different ways. In fact, His word was given to us long time ago and many Saints had only the Bible at hand with other few books from the Church.

From His goodness we are all receiving

The world does not want to give ear to God but now all nations will listen. GOD IS SPEAKING… His Voice is heard and His kingdom will in time embrace the world like a Mother to her child… there will be an era of peace after getting rid of evil. He provided and He will provide; He is the Father of all goodness, Father of morning and eve, Father of love and family, Father of earth and Heaven, Father of living and dead and from His goodness we are all receiving.

Fom His goodness we received life but His goodness was mocked and betrayed! His goodness was mistreated - the gift of life itself! This happened because of sin… but God is still here waiting on me… He is waiting on me to give my soul to Him, forever; to give my soul to goodness.

The Word of God is one, always the same and forever new and calling for goodness. The Law of God is one, simple and clear; it is revealed to every heart… "Ephatha", says the LORD. His Law was here from the beginning.

Nothing can Heal the world but the truth and when the world is Healed God is Here to Provide - Our Holy Father whom we betrayed and trampled on His good will.

Me too received a message from God

Me too received a message from God when i was putting an effort to write something about love and i couldn't - it is so difficult to write about love – yes, as i knelt down to pray, God clearly said to me, "You can't talk about love, and you can't talk to love [can't write prayers], all you can is let love/ God talk in your heart"; I never thought this way before and i can't forget that i truly learnt something directly from God. God is so near to us and He is everything, His goodness is shining in our hearts... God is everything, He is the Father of all goodness; He is our beautiful morning and eve... and only because of Him we are. His goodness is our life.

God is my sight and my light and because of Him i can see, not because of me; not because of me... Only if we perceive that God is our life; how much we would love Him! O Divine Beauty who took away the shadow of death from the tombs, please open my eyes.

When i lean on Him in prayer, i fear nothing. Without Him, i am dead. Death is not about flesh but about soul; it is the death of love and goodness; it is when i look around me in my sorrows and no one is there to help me... it is also when i don't care about others; it is a death of love and goodness.

God alone can give faith to man and God is giving. Man can't give faith to man.

Brother, if you have fear in your heart, this is a sign for you; please know that you have to pray. Come to the House of God; He is Father, He is Friend… Heaven is waiting on you much better than your good mother would do… but motherhood itself was from God and love too… "Ephatha", says the LORD.

"LK 12:35 Let your loins be girded, and the lamps burning, LK 12:36 And be like men waiting for their lord when he returns from the wedding feasts, that when he comes and knocks, immediately they would open to him. LK 12:37 Blessed are those slaves, whom, when the lord comes, he will find watching. Truly I say to you, that he will gird himself, and he will cause them to sit, and he will come and minister to them. LK 12:38 And if he comes in the second watch, or if he comes in the third watch, and finds it so, those slaves are blessed. MT 24:42, LK 12:40 Be on the alert therefore, because you do not know what hour your Lord, the Son of Man, comes.

Christian Testimonies

Testimonies are all about the WORK OF GOD in His Church and Testimonial VIDEOS are so valuable for Christians and the world. Testimonial Videos are hard to find on youtube.com; I know this because it took me long time to find testimonies on youtube.com and create this little site to point to them. Add that they might be removed at any time.

Youtube.com can't be the site where Christians would share their testimonies or keep them for next generations; there should be a Universal WEBSITE created by the Church to share Christian testimonies as VIDEOS with the world, especially with those who don't have much testimonies in their countries.

Testimonies will be approved by local church in every country and uploaded to the Website by the local church.

The website I dream of, is a kind of digital library for Christian Testimonies, presented as Videos.

This Website or Library I look for, will be searchable by language and year, and Christian TVs will be encouraged to broadcast the Website's content.

Please let us keep the Christian Testimonies as Videos, for next generations, like we keep the Holy Bible itself. Let us hope that the Church would fulfil this task.

I dream of a Website Priests would share with the faithful worldwide through a little flyer everyone can print and share (Here is an example: P8).

The Flyer will be a little tool in the hand of the faithful who will share the website with the whole world.

Dear brother and sister in Christ, if you can see the importance of creating such a Website and Flyer, please pray on this intention. Amen.

Useful tips

It is good to download these videos to your computer because many of them would be removed. Original albums might be found in stores. I personally downloaded them to my PC and I enjoy hearing them. The same is true for testimonies.

There are some websites that might help in downloading videos from youtube.com but I personally found it far better to use a software I bought from www.byclickdownloader.com

Videos can be downloaded in MP4 format and if required converted to MP3 format using for example the free version of "Any Video Converter" software.

"**PotPlayer**" Media player is recommended to watch videos and hear songs on Windows Operating Systems; it is offered free on www.potplayer.info. Also **VLC** Media Player is so reliable and available free from www.videolan.org

Many computers, especially laptops, do not have quality sound speakers; I had this issue for years and didn't know it until I got a cheap tower speaker from a local store; it connects to computers and other devices. It can also play songs (MP3 format) from a USB memory or TF memory card what makes it also useful for people who don't use computers. It can be powered from a normal power socket through a USB adapter or powered from a device such as a computer. To shop it, use the Key word "Tower Speaker"

Every dead came back to life, and all of them came to meet with you on that day when you wiped out death by the engagements of life. What love like this one did ever persevere in someone who loves! What Lord was it, the One whose glory was

revealed on the cross! A wonder among people and astonishment among nations! And in the Church, He is righteousness, peace and reunion. Love guided you to me and you took the cross and bear for me the heartbreak of the terrible death. I wish I could spend my life, all of it, in your commandments and live 'among' the mysteries of redemption

//youtu.be/QEhdRVMp7PI

Words: O my beloved Son, what a state you are in! Who was it that one who saw you and injured you!...there is no justice! They increased your wounds, (wounds above wounds)... When in Garden, at night, the Redeemer God knelt down to pray, the universe was praying... the olive trees were crying... O my beloved, how come that you pass, was it lost the faithfulness! O my people and my friends, where is the covenant of faith! Where is the faithfulness to my love and care! Like a killer and enemy you pushed me to misery! And between two thieves you nailed me unclothed! O Mary my mother, your crying is adding to my sorrow, let me alone and go back... O Father why you forsake me in my sorrows, my heart is broken and my chest bones are pulled apart. I am the Mother of sorrow, and no one can console me. Let the death of your Son be life for those who are seeking life. The Mother of Jesus cried and made those looking at her cry. My regret is about a nation who killed its shepherd! Doves lament about the scattering of its people... the virgins of Jerusalem are crying about their children... Let the death of your son be life to those who are seeking life.

Let us dream of another Radio

Let us dream of a Radio which will help Listeners to:

1. Listen to worship songs.
2. Pay attention to the testimonies by the faithful.
3. Read in books and be open to the word of God.
4. Meditate and pray by themselves.

This Mission Radio won't have any programs but it will be a healing environment all ready for listeners at any time. It would make use of the following 4 elements:

1. Beautiful Worship Songs: They will reflect the Spirit of God. They would be in many languages as available. They would occupy about 82% of the time.
2. Valuable Testimonies: They reflect the work of God in His Church. They would occupy about 6% of the time.
3. Readings: They reflect the word of God - they should tell about God's Love and Holy Name. There would be readings from Bible, Marian apparitions, Saints and valuable books to encourage the listener to read. Readings would also occupy about 6% of the time.
4. Prayers: We need help listeners to pray by themselves. Prayer Groups are helpful. Prayers would also occupy about 6% of the time.

We then need to have in each hour, a 5-10min testimony or reading or prayer.

The Radio will have a website to show the testimonies as videos.

Let us help the poor!

"For I was hungry, and you gave me food to eat; I was thirsty, and you gave me drink; I was a stranger, and you took me in… Most assuredly I tell you, inasmuch as you did it to one of the least of these my brothers, you did it to me", said the Lord. (Mathew 25:35-40)

LET US PRAY

We pray the word of God and without it we can't pray.
We need to pray because God does exist; we are not by ourselves.
The Gospel made it easy for everyone to Connect with God… and Pray.
